Congratulations Salahudin 🎉

We reviewed your final project and were very impressed! Your project clearly demonstrates your understanding of the concepts and skills needed to build on EVM Chains.

All those late nights and weekend coding sessions have finally paid off...you are now an official Alchemy Certified Ethereum Developer.

This certificate is proof of your skills. We're excited to see where you apply those skills next, keep us updated!

If you would like to see the certificate with your name on it, check it out on Alchemy University below:
